

Welcome to your School Library!

Now that you're registered for Kindergarten, become familiar with your child's school by visiting the library. After March Break, you can begin to use the library during our drop-in hours. **You may borrow two books at a time for up to three weeks.**

To support and welcome our new families, please add a label showing the school library drop-in hours

Benefits of Reading

CUDDLE UP AND READ

Reading and talking about books creates special moments

BE A READING ROLE MODEL

When children see you reading, they will want to be readers too!

WORDS ARE EVERYWHERE

Reading everyday items like cereal boxes, street signs, posters and words found on many objects can help build your child's literacy skills
