### Workshops/Seminars/Presentations/Keynote Speeches Attended:

(Include a brief Summary)

I was pleased to have been given the opportunity to attend this annual symposium. As one of the premier professional learning event of the year for trustees, I look forward to it each year. The symposium provided trustees with a collective opportunity to engage in a rich professional development program with a focus on ethical leadership and good governance. These are all things that will assist us as we navigate the labour relations waters.

I especially enjoyed the remarks by Peter Mansbridge which were both timely and relevant, with its focus on what it takes to be a Canadian and how Canadians are respected the world over.
