This is our last meeting of the 2015-2016 school year!

We will be changing things up a little bit this time! Instead of sitting as we usually do, we will have small group discussions about school council related issues. We will share our thoughts with the assembly at the end of the meeting. Topics will include grants/funding, community events, communication, and other purposes of school councils.

There will be a feedback form available on the sign in table. Please pick one up on your way in and fill it out, we would love to hear your thoughts and feedback helps us!

We look forward to seeing a representative from your council there.
