Dear Parent or Guardian

STUDENT ACCIDENT INSURANCE

Unfortunately, accidents can and do happen! Some injuries incur medical, dental or other expenses that are not covered by provincial health care or employer group plans.

In order to provide you with some financial protection, we have arranged a Student Accident Insurance program through **Staebler Insurance Brokers**. The insuremykids® Protection Plan through Reliable Life Insurance Company offers a variety of plans and benefits (please see over).

It is important for parents and guardians to be aware that the School Board does **not** provide accident insurance coverage for student injuries that occur on school premises or during school activities.

How to enroll:

- **On-line:** To purchase coverage 24/7, download a policy or claim form, or obtain answers to frequently asked questions go to www.staebler.com/student-accident-insurance;
- **By phone:** Call Reliable Life Insurance Company toll free at **1-800-463-KIDS (5437)**;
- **Application Form:** If you require a brochure/application please contact Reliable Life Insurance Company at the number listed above.

If your child participates in co-curricular activities or activities outside the school day, there is a plan tailored to your needs.

All rates are one-time annual premiums. Discounts are offered for family rates for 3 or more children. 3-Year and 5-Year Plans offering additional savings are available up until September 30, 2014.

Student Accident Insurance is a cost effective way to protect and insure our children.

Yours truly,
