

March 29, 2015

Hello again to all of our School Council Chairs and Assembly Representatives!

Our next meeting will be:

Tues., April 7, 2015
Forest Heights Collegiate school library
from 7 to 9 pm.

Note that as per WRDSB guidelines, school doors have to be kept locked, so please try to come by 7:10 pm at the latest.

To round out our math discussion from February, we will have a brief demonstration of the math kits that fellow parent, Heather Berry created through funding from a regional PRO grant.

Wanda Kampijan and Angie King from Our Place Family Resource & Early Years Centre are joining us to share the types of services they can provide for families and councils.

Barbara Ward, Lead for Mental Health at WRDSB will be by to share an update on the Mental Health Strategy.

See you then! We look forward to welcoming someone from your school!
