

Waterloo Region Assembly
of Public School Councils

October 29, 2014

Dear Assembly Representatives and School Council Chairs,

Attached is the agenda for our second meeting of the 2014-15 school year, which will be held on Tues. Nov. 4, 2014. We'll meet in the library of Forest Heights Collegiate from 7 to 9 pm.

We have three guests coming to speak with us about greening our schools: Chris Gosselin from the Region of Waterloo to talk about a current greening grant, Karen Madsen will share her personal, parent's perspective and the board's greening consultant, Glynis Logue from Evergreen will round out the topic. They will share their varied experiences and lots of helpful information for our greening/eco projects. You are welcome to invite your school's greening/eco-team to attend as well, so they can ask questions and participate in the discussions.

We also have two guests from the Region of Waterloo Public Health: Lesley Rintche & Chris Harold, to get parental input about a survey they are conducting for the Waterloo Region Sexual Health Youth Strategy, as well as provide an update about an sexual health initiative that is currently piloting in a few of our high schools.

We look forward to seeing you at the meeting.

Cheers!
Christine & Laurie

Christine Gillis Bilton, WRAPSC Co-Chair
Laurie Tremble, PIC/WRAPSC Co-Chair
