Date Policy and Procedures Updated:

Purpose

This policy and the procedures within provide for waiting lists to be administered in a transparent manner. It supports the availability of information about the waiting list for prospective parents in a way that maintains the privacy and confidentiality of children.

The procedures provide steps that will be followed to place children on the waiting list, offer admission, and provide parents with information about their child's position on the waiting list.

This policy is intended to fulfill the obligations set out under Ontario Regulation 137/15 for a child care centre that maintains a waiting list to have related policies and procedures.

Note: definitions for terms used throughout this plan are provided in a Glossary at the end of the document.

Policy

General

- The Waterloo Region District School Board will strive to accommodate all requests for the registration of a child in the Extended Day Program.
- Where the maximum capacity of a program has been reached and spaces are unavailable for new children to be enrolled, the waiting list procedures set out below will be followed.
- No fee will be charged to parents for placing a child on the waiting list.

Procedures

Receiving a Request to Place a Child on the Waiting List

1. Parents will be notified when completing an online registration that the program is at maximum capacity and they will be placed on a waiting list.

Placing a child on the Waiting List

1. OneList will place a child on the waiting list in chronological order, based on the date and time that the request was received. Parents will receive a confirmation email advising them of this.

Determining Placement Priority when a Space Becomes Available

1. When space becomes available in the program, priority will be given to children based on application date. An email will be generated to the parent requesting that they confirm care is still required within 72 hours.
2. Once these children have been placed, other children on the waiting list will be prioritized based on program room availability and the chronology in which the child was placed on the waiting list.

Offering an Available Space

1. Parents of children on the waiting list will be notified via an email from OneList confirming that a space has become available in their requested program.
2. Parents will be provided a timeframe of 72 hours in which a response is required before the next child on the waiting list will be offered the space.
3. Where a parent has not responded within the given timeframe, the licensee or designate will contact the parent of the next child on the waiting list to offer them the space.

Responding to Parents who inquire about their Child's Placement on the Waiting List

1. care@wrdsb.ca will be the contact for parents who wish to inquire about the status of their child's place on the waiting list. The Extended Day secretary monitors the care inbox and responds to parent inquiries including providing the child's current position on the list and an estimated likelihood of the child being offered a space in the program.

Maintaining Privacy and Confidentiality

1. The waiting list will be maintained in a manner that protects the privacy and confidentiality of the children and families on the list and therefore only the child's position on the waiting list will be provided to parents.
2. Names of other children or families and/or their placement on the waiting list will not be shared with other individuals.
