

Before and After School Program Important Dates 2024-2025

Before and After School Programs offer full days of programming on designated Professional Development Days and Camp Weeks. Families are required to have an active ongoing before/after school care schedule in order to attend the PD Days/Camp Weeks. You can update your schedule by logging onto your OneList account at www.wrdsb.ca/beforeafter. For PD/Camp weeks we require four weeks advance notice to register or remove days of care.
