## Possible Draft Study Objectives

- To develop a solution that is long-term (approximately 10 years) by:
  - Creating more consistent feeds between the jr. elementary and sr. elementary program
  - Addressing future development plans and demographic shifts
  - Balancing enrolment to capacity using Board Policy 3002 - Elementary School Size and Configuration, as a guideline for school size
- To increase the number of students within walking distance to school
- To minimize the impact on students where transitions area proposed

## Next Steps

- Confirm objectives
- Develop boundary scenarios
- Refine boundary scenarios based on objectives
- Evaluate scenarios against objectives
- Public/Community meetings
