

## **Study Objectives for the Forest Hill / Trillium Elementary Schools Boundary Study**

- To develop a solution that is long-term (approximately 10 years) by:
    - Addressing future development plans and demographic shifts.
    - Balancing enrolment to capacity using [\*Board Policy 3002 – Elementary School Size and Configuration\*](#), as a guideline for school size.
    - Addressing the diverse needs of all students by creating a balance of enrolment that recognizes these needs.
  - To increase the number of students within a ‘safe’ walking distance to school.
  - To keep in mind the impact on the senior elementary and secondary school boundaries.
  - To minimize the impact on students where transitions are proposed.
-
