TOTAL	1782		1602	1617	1562	1599	1601		

PROJECTED ENROLMENT

Notes:
OTG Capacity = On the Ground Capacity – Ministry of Education assigned loading of students in permanent space in a facility
A factor has been applied to each school’s enrolment to account for out of boundary student gains and loses due to magnet programs such as French Immersion (FI) and Special Education Area Classes (SpecEd)
Enrolment projections are approximations calculated based on the most current information available
