

*Working Together to Build Great Futures*

## Notice of Public Meeting #2 and School Tour Tuesday, January 10, 2012, 6:15pm to 9:15pm Westvale PS, 265 Westvale Dr., Waterloo

Residents of the Westvale/Centennial school community are invited to attend a Public Meeting and School Tour as part of the proposed **boundary changes between Sir John A. Macdonald Secondary School (SJAM), and Kitchener-Waterloo Collegiate Institute (KCI).**

This tour offers residents the opportunity to view both SJAM and KCI, and will provide the residents with the recommendations that will accompany the board report in January 2012.

Public meetings about this boundary study began in November 2011, to present recommendations for a secondary school **boundary change for the Westvale neighbourhood (bounded by Ira Needles Blvd., Erb St., Fischer-Hallman Rd. and University Ave.) from SJAM to KCI.**

Interested school community members are encouraged to attend.

Transportation to the Secondary Schools **Transportation to SJAM and KCI will be provided free of charge** by a chartered bus. Participants are asked to meet at Westvale PS by 6:15 pm. Each school tour will last approximately 45 minutes, and it is expected that the charter will return to Westvale PS by 9:15 p.m. To reserve your spot on the bus, **please contact the WRDSB Planning Dept. at 519-570-0003 ext 4419 or [boundaryfeedback@wrdsb.on.ca](mailto:boundaryfeedback@wrdsb.on.ca) by no later than Thursday January 5, 2012.**

More information on the WRDSB Secondary School Boundary Review, including the full report and presentation can be found at: [www.wrdsb.ca](http://www.wrdsb.ca)
