Notice of Open House/Public Meeting Monday, January 10, 2011 5:30 – 7:30 p.m. Preston High School 550 Rose St., Cambridge

Everyone is welcome to drop in to an Open House/Public Meeting regarding boundary changes between Preston High School, Huron Heights Secondary School, and Jacob Hespeler Secondary School.

In November of 2009 the Waterloo Region District School Board (WRDSB) approved the retention of a professional consulting firm to undertake a review of the Board's secondary school boundaries. Phase one of the study was completed and the interim report was presented to Board on May 17, 2010. In response, the Board approved the establishment of an AdHoc Secondary Committee to study the interim report and recommendations.

The interim report identified a number of short, medium and long term secondary boundary change recommendations for consideration. In particular the interim report recommended **boundary changes** between Preston High School and Huron Heights Secondary School whereby the **area of Southwest Kitchener currently designated to attend to Preston High School be changed to attend Huron Heights Secondary School, and; that the area South of Highway 401 between Hespeler Rd. and Townline Rd. currently designated to attend Jacob Hespeler Secondary School be changed to attend Preston High School.**

The intent of the public meeting/open house is to receive community feedback on the proposed boundary changes. WRDSB staff will be on hand to answer questions and provide more detail.
