You are invited to a public meeting to learn about pupil accommodation reviews being undertaken by the Waterloo Region District School Board in the Breslau/Stanley Park and Grand River South/Sunnyside elementary school areas.

The **Breslau/Stanley Park Accommodation Review** involves Breslau, Crestview, Franklin, Lackner Woods, Mackenzie King, Smithson and Stanley Park Public Schools.

The **Grand River South/Sunnyside Accommodation Review** involves Franklin, Howard Robertson, Lackner Woods, Rockway, Sheppard, Sunnyside and Wilson Avenue Public Schools.

Accommodation Review Committees (ARCs) with representatives from each school community, the municipalities, the Waterloo Region District School Board and the community at large, will lead the reviews. The ARCs will be responsible for completing school information profiles, and developing recommendations regarding the future of the schools.

It is important to note that the reviews may result in school consolidation, school closure, school construction, boundary changes and/or program changes.

More information on the Accommodation Reviews, including agendas and minutes of both ARCs can be obtained by visiting:
