Subject: OPSBA 2018 Annual General Meeting – Trustee Confirmations or Appointments

Recommendation

That the Waterloo Region District School Board of Trustees confirm or appoint their Voting and Alternate Voting Delegate; and

Confirm or appoint the Director and Alternate Director, for the May/June 2018 Ontario Public School Boards’ Association (OPSBA) Annual General Meeting.

Status

To confirm or appoint trustees to positions within the Ontario Public School Boards’ Association (OPSBA) in preparation for the Association’s Annual General Meeting (AGM) being held from May 31 - June 3, 2018 in Niagara Falls, Ontario.

Voting Delegate/Voting Alternate – 2018 Annual General Meeting

For the Annual General Meeting, this Board must appoint one member to serve as the Voting Delegate and a second member to act as an Alternate in the absence of the Voting Delegate.

Appointment of OPSBA Director/Alternate Director (June 2018 – June 2019)

The constitution and bylaws of the Ontario Public School Boards’ Association entitle certain member boards to appoint a trustee representative to the Association’s Board of Directors. The Waterloo Region District School Board meets the criteria to be eligible to appoint one Director, as well as one Alternate Director who would act only in the absence of the Director.

Background

OPSBA has requested that the Board confirm the names of its Voting Delegate/Director and Alternate Voting Delegate/Alternate Director by May 4, 2018.

The voting process can be found as Appendix A.

The Board’s current trustee appointments to OPSBA are:

- Voting Delegate: Ted Martin
- Director: Kathleen Woodcock
- Alternate Voting Delegate: Kathi Smith
- Alternate Director: Kathi Smith
Note: Should trustees be willing to continue serving in their current roles with the Association, there is nothing within OPSBA’s procedures that would prevent re-appointment and the nomination/voting process will be consistent with that followed at the Board’s Inaugural Meeting.

**Financial implications**

No financial implications.

**Communications**

Confirmations and/or appointments will be communicated by the Manager of Corporate Services to OPSBA following Board approval.

Prepared by: Stephanie Reidel, Manager of Corporate Services on behalf of Chairperson Scott McMillan.
Appendix A

CLARIFICATION OF VOTING PROCESS FOR ELECTION OF OPSBA POSITIONS FOR THE 2018 ANNUAL GENERAL MEETING

The information below is provided for clarification of the voting process, if required, for the election of the Voting Delegate and Director, and Alternate Voting Delegate and Alternate Director positions at the Board Meeting on Monday, April 30, 2018.

The election shall follow the Board’s bylaws which state:

4.2.3 When nominations have been closed by a vote with a show of hands, any vote required to elect the Chairperson will be conducted by secret ballot.

The Board, by majority vote, appoints two staff members to act as scrutineers and such appointments have traditionally been from the members of senior administration present at the meeting.

One of the scrutineers distributes a slip of paper to each trustee following the closing of nominations for the position. Once the ballots are completed, trustees fold the slip of paper in half and the second scrutineer will present the ballot box to each trustee in which he/she will deposit the ballot.

The scrutineers withdraw from the Boardroom to the Trustees Office to count the ballots. The name of the successful candidate will be written on a piece of paper and handed to the Chairperson. The Chairperson will then announce the name of the successful candidate. This process shall be repeated for each position to be filled.

However, if a successful candidate is not determined through the first vote because there are more than two candidates nominated and none of them receive a majority vote, then the ballot process must be repeated in accordance with the bylaws (Article 4.2.7 through 4.2.9)

If there are only two candidates, and the successful candidate is not determined through the first vote because of a tie, then the candidates draw lots to fill the position, which means the names of the two candidates are placed in the ballot box and one name is drawn from the box. Our practice has been to appoint one of the scrutineers to draw the name from the box.

It has been the practice to use a different colour of paper for each round of voting so there is no room for error when the scrutineers are counting ballots. The ballots are destroyed following the voting process.

Please note that since the Board’s bylaws indicate the election must be conducted by secret ballot, no other form of voting would be considered acceptable. Section 45 of Roberts Rules of Order regarding voting procedures states that, “when the bylaws require a vote to be taken by ballot, the requirement cannot be suspended, even by unanimous vote.” This would mean that anyone who is not present at the Committee of the Whole meeting is ineligible to vote in this election.

The Honourable Indira Naidoo-Harris
Minister of Education
22nd Floor, Mowat Block, 900 Bay Street
Toronto, Ontario M7A 1L2

Dear Minister Naidoo-Harris:

On behalf of the Board of Trustees of Bluewater District School Board, I would like to bring to your attention the following motion that was passed at our Regular Meeting of the Board on March 20, 2018:

That Bluewater District School Board write to the Minister of Education requesting that a Provincial Think Tank be established to thoughtfully consider and plan for future technologies, artificial intelligence, and transformational innovations.

Furthermore, that this Think Tank incorporate key stakeholders from the current educational system in addition to the leading researchers and innovators.

Future innovations and evolution in areas such as artificial intelligence, virtual reality, and web connectivity will have profound implications for the classroom, and by extension, will transform Ontario’s educational system and curriculum as we know it today. The establishment of a Provincial Think Tank with involvement from key education stakeholders will ensure a proactive rather than reactive approach to leveraging and embracing these innovations for the future benefit of all students in Ontario.

As always, our shared commitment remains focused on providing quality education for every student in a safe and caring environment.

Sincerely,

Ron Motz
