EDUCATION DEVELOPMENT CHARGES (EDC) INITIAL PRESENTATION

Coordinating Superintendent M. Gerard shared that the board’s EDC Bylaws will expire in 2021 and introduced Jack Ammendolia from Watson & Associates Economists Ltd.

BANK BORROWING RESOLUTION

In the normal course of business, the WRDSB borrows money to meet its operating expenditures. This is necessary because of timing differences between collection of revenues from municipalities and the province and payment schedules for the expenditures of the WRDSB. The Education Act allows borrowing up to the uncollected amount of revenues of the Board. The borrowing limit for 2020 was set at $50M.

2. Moved by J. Weston, seconded by K. Woodcock:

That the Waterloo Region District School Board adopt the Resolution, as outlined in Appendix A of the Bank Borrowing Resolution report to Trustees, authorizing the borrowing of money to meet current expenditures of the Waterloo Region District School Board for the fiscal year 2021.

Rubenshuh reviewed exemptions for synchronous learning. Superintendent S. Miller reviewed how the WRDSB is supporting synchronous learning. Superintendent E. Weinert provided information on the staff mask protocol, employee health and safety and school reorganization.

Coordinating Superintendent M. Gerard provided an update on custodial staffing and the HVAC update requested at the last Special Board Meeting. The HVAC update included information on the portable HVAC units purchased for classrooms with inoperable windows and mechanically-limited ventilation. He also reviewed a summary of additional funding from the Ministry of Education, financial risks and implications and the revised deficit spending amount. Director J. Bryant ended the presentation with some reflections of gratitude.

Trustees asked a number of questions regarding the Back to School and Learning Update. The questions concentrated on Public Health high-risk and incidental contacts, personal protective equipment (PPE), transitioning between modes of learning, the mask exception protocol, staff well-being and mental health, health and safety protocols, costs related to COVID-19, communication process for families with concerns and split classes. It was the Will of the Board to receive reports on both class sizes and the use of space in school. These reports will be scheduled at Agenda Development Committee. Questions continued regarding students who are self-isolating, staff feedback, school councils and PPE.
