In addition, discussions related to the alignment of School Year Calendars have occurred with the Waterloo Catholic District School Board (WCDSB). As in past years, it is our committee's goal to ensure that the calendar is aligned as closely as possible with the calendar proposed by the WCDSB.

The 2024-25 school year will begin on Tuesday, September 3, 2024 and end on Friday, June 27, 2025.

## Background

In accordance with Regulation 304, district school boards are required to prepare, adopt, and submit to the Minister of Education, on or before the $1^{\text {st }}$ day of March, a School Year Calendar. The Regulation also states that the School Year Calendar shall include a minimum of 194 school days of which 7 days may be designated by the board as professional activity days. Three of these days must be devoted to specific provincial education priorities. Furthermore, a board may designate up to 10 instructional days as examination days [Section 3. (3.1)].

## Financial Implications

The School Year Calendar Committee continues to make every effort to align our school year calendar with that of the WCDSB. However, the proposal for the 2024-25 school year results in two (2) unaligned days and this represents an additional cost to the Board in terms of providing student transportation.

The additional costs incurred for unaligned days during the 2024/25 school year are estimated to be $\$ 236,000$; the Waterloo Region District School Board's share of this
cost is estimated to be $\$ 172,000$ with the remaining balance being charged to the WCDSB. These anticipated costs are projected to be lower than the 2023-2024 school year.

## Communications

Subsequent to Board approval of the above recommendation, School Year Calendars will be submitted to the Ministry of Education for Ministry approval. The School Year Calendars will be shared, noting that they are pending Ministry approval, with students, staff and members of the public following Board approval. As per Ministry direction, schools must communicate the date and purpose of the Professional Activity (PA) Day ten days before each PA day.
