Dear President Woodcock,

At its meeting on January 27, 2025, the Board of Trustees for the Waterloo Region District School Board (WRDSB) approved a motion to write a letter of support of the Near North District School Board's letter dated January 17, 2025, regarding school board efficiencies.

The WRDSB is in support of the Ontario Public School Boards' Association advocating to the Ministry of Education for a study and consultation regarding efficiencies within the four-school board system model.

The WRDSB understands the importance of optimizing resources to best serve students, families and educators.

Thank you for your consideration and supporting education in Waterloo Region and the province.

Sincerely,
