

# Think About Math!

**Think About Math! (TAM)** is an in-person, 3-day workshop that aims to fuel an interest in mathematics among girls who are entering Grade 9 in Fall 2026. We also welcome gender minorities who feel comfortable in a space that centres the experiences of women.

## WHAT TO EXPECT

TAM is a day camp and participants will:

- Explore two topics in applied math that are not currently part of the high school curriculum.
- Meet with Waterloo Math alumni and current students to learn about their study and career path.
- Tour the campus and attend a session on succeeding in high school mathematics.
- Have the opportunity to research the life of a famous mathematician.
- Have the opportunity to socialize and build community through fun activities.

## LEARN MORE

*Interested students are required to fill out the TAM online application form on the CEMC website by **April 30, 2026***
