1. Purpose

To ensure consistent and appropriate management of possible requests from candidates during municipal, provincial or federal elections, including all by-elections.

2. School Visits by Candidates

- 2.1 Requests by individual candidates to visit a school will not be permitted during an election campaign. This restriction includes informal visits to classrooms and meetings with school administrators.
- 2.2 Requests for invitations to visit schools during this period must be declined, and previously scheduled events must be rescheduled. This includes during by-elections.
- 2.3 Current trustees standing for re-election may continue to be involved in school events and activities that would normally have the local trustee in attendance in accordance with Board Policy 3008 – Use of Board Resources During the Election Campaign, e.g. school openings, award ceremonies, boundary studies, family math nights.
- 2.4 If invited by a school, incumbent school board and provincial or federal elected representatives may visit schools in their own zone or constituency at any time in the course of their regular constituency duties. They shall not campaign or conduct themselves in any way that may be perceived as campaigning. During the campaign period, any individual candidates who are authorized to visit a school shall not be accompanied by media and shall not use the visit to promote their candidacy.

3. Invitations to All Candidates

3.1 All-candidate Meeting

- 3.1.1 The WRDSB allows all-candidate meetings and other learning activities that are part of the classroom program. The format of the meetings must allow all candidates an equal opportunity to address their issues.
- 3.1.2 These meetings may be organized by classes during the regular school day or by community organizations or school councils after school hours, at the discretion of the principal or site manager. Sufficient notice (i.e. at least two weeks in advance) must be given to all candidates. If candidates are unable to attend, they may have a designate attend on their behalf. Written confirmation of attendance (includes e-mail) or regrets must be received from the candidates at least one week in advance of the meeting. This also applies to requests made of school councils.
- 3.1.3 If two or more candidates can attend the meeting, then it may proceed. This will afford students the opportunity to see a debate between at least two varying points of view. If only one candidate can attend, the event must be rescheduled or cancelled.
- 3.1.4 Access to Board facilities and resources for an All Candidates meeting, or an event held outside of regular business hours, would be subject to Board Policy 4002 Community Use of Schools and Board Policy 3008 Use of School Board Resources During Election Campaign.
