1.0 Preamble

1.1 The Waterloo Region District School Board believes that every student has the right to be treated with respect, dignity and to feel safe at school. Research tells us students who feel safe and respected at school are able to reach their full potential.

1.2 The Board recognizes that bullying:

1.2.1 adversely affects a school’s ability to educate its students;

1.2.2 adversely impacts a student’s ability to learn;

1.2.3 affects the dignity and self-esteem of students who are bullied;

1.2.4 damages healthy relationships;

1.2.5 adversely impacts school climate, including healthy relationships; and

1.2.6 will not be tolerated on school property, at school-related activities, on school buses or in any other circumstances (e.g. electronically or cyber) where bullying will have a negative impact on the school climate.
1.3 The impact of bullying can lead to long-term social and emotional problems not only for the victims of bullying, but for the bully and those who watch or are aware it is happening. Bullies have an increased risk of becoming adults who engage in illegal activities, substance abuse, dating/relationship violence, child abuse and elder abuse. As a society, for many decades bullying was either viewed as a relatively harmless “rite of passage” or ignored altogether. It has taken high-profile acts of school violence and youth suicide to change the public perception of bullying behaviour, and to reach an understanding of what it actually is: a form of physical, emotional and/or psychological abuse.

1.4 At the Waterloo Region District School Board we believe it is everyone’s responsibility to stop bullying behaviour which is why we partner with parents/guardian/caregiver, community organizations and agencies to put a stop to bullying. Principals are required by legislation to review annually with all staff the “duty to respond” to all incidents that can negatively affect school climate, including bullying; the “duty to report” all suspected bullying activities; bullying definitions, means and forms; as well as education around the difference between rough play, conflict and bullying. Serious incidents of bullying are defined as, but not limited to, racist, homophobic, sexual and sexist remarks, body image, disability, slurs, jokes or graffiti that could lead to suspension and/or expulsion. All incidents of bullying will result in a consideration of suspension and/or expulsion pursuant to sections 306(1) and 310(1) of the Education Act.

2.0 Definitions of Bullying

2.1 **Bullying** means aggressive and typically repeated behaviour by a pupil where,

2.1.1 the behaviour is intended by the pupil to have the effect of, or the pupil ought to know that the behaviour would be likely to have the effect of;

2.1.2 causing harm, fear or distress to another individual, including physical, psychological, social or academic harm, harm to the individual’s reputation or harm to the individual’s property; or

2.1.3 creating a negative environment at a school for another individual; and

2.1.4 the behaviour occurs in a context where there is a real or perceived power imbalance between the pupil and the individual based on factors such as size, strength, age, intelligence, peer group power, economic status, social status, religion, ethnic origin, sexual orientation, family circumstances, gender, gender identity, gender expression, race, disability or the receipt of special education; (“intimidation”);

2.1.5 for the purposes of the definition, “bullying” behaviour includes the use of any physical, verbal, electronic, written or other means.

2.2 **Cyber-bullying**

For the purposes of the definition, “bullying” includes bullying by electronic means (commonly known as cyber-bullying), including,

2.2.1 Creating a web page, a blog or use of social media tools, in which the creator assumes the identity of another person;

2.2.2 Impersonating another person as the author of content or messages posted on the internet; and

2.2.3 Communicating material electronically to more than one individual or posting material on a website that may be accessed by one or more individuals.
2.3 **Positive School Climate**

2.3.1 Positive school climate is the sum total of all the personal relationships within a school. When these relationships are founded in mutual acceptance and inclusion, and modeled by all, a culture of respect becomes the norm. A promotion of a positive school climate means that all members of the school community are inclusive and accepting of all, including persons of any race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status and disability.

2.3.2 The following are some characteristics of a positive school climate:

- Students, staff members, and parents feel safe, and are safe, included, and accepted.
- All members of the school community demonstrate respect, fairness, and kindness in their interactions, building healthy relationships that are free from discrimination and harassment.
- Students are encouraged and given support to be positive leaders and role models in their school community.
- Open and ongoing dialogue takes place between the principal, staff members, parents/guardians/caregivers, and students. All partners are actively engaged.
- The learning environment, instructional materials, and teaching and assessment strategies reflect the diversity of all learners.
- Every student is inspired and given support to succeed in an environment of high expectations.
- Bullying prevention and awareness-raising strategies for students and staff are reinforced through curriculum-linked programs.

2.4 **Means and Forms of Bullying**

Bullying is a dynamic of unhealthy interaction that can take the following means and forms:

2.4.1 *Physical bullying* includes behaviors such as: hitting, kicking, shoving, spitting, beating up, stealing, or damaging property.

2.4.2 *Verbal bullying* includes behaviors such as: name-calling, mocking, hurtful teasing, humiliating or threatening someone, racist comments, or sexual harassment.

2.4.3 *Social bullying* includes behaviors such as: rolling your eyes or turning away from someone, excluding others from the group, gossiping or spreading rumours, setting others up to look foolish and damaging friendships.

2.4.4 *Electronic or Cyber-bullying* includes the use of email, cell phones, text messages, and internet sites to threaten, harass, embarrass, socially exclude, or damage reputations and friendships.

2.4.5 *Racial bullying* includes behaviors such as: treating people disrespectfully because of their racial or ethnic background, saying bad things about a cultural background, calling someone racist names, or telling racist jokes.

2.4.6 *Religious bullying* comprises treating people disrespectfully because of their religious background or beliefs, saying bad things about a religious background.

or belief, name calling or telling jokes based on others’ religious beliefs and practices.

2.4.7 *Sexual bullying* includes behaviors such as leaving someone out or treating him/her disrespectfully because of their gender, making sexist comments or jokes, unwanted touching, pinching or grabbing someone in a sexual way, making crude comments about someone’s sexual behavior, spreading a sexual rumor about someone, calling someone gay, a fag, a dyke, or making inferences about their sexual orientation.

2.4.8 *Disability bullying* includes behaviors such as: leaving someone out or treating them disrespectfully because of a disability, making someone feel uncomfortable because of a disability, or making comments or jokes to hurt someone with a disability.

2.5 **Rough Play vs. Conflict vs. Bullying**

2.5.1 Interactions between students are often difficult to classify. The following provides an assessment tool to help with the situation at hand. Even where conduct is not necessarily labeled as bullying, staff should consider what appropriate responses may be used to support students and to encourage positive student behaviour.

2.5.2 Staff are reminded that, in resolving issues in a healthy manner, students often need adult assistance to resolve rough play or conflict, and that rough play or conflict resolved in a healthy manner is much less likely to result in bullying.

3.0 Reporting of Bullying Incidents by Students

3.1 Bullying is a covert activity that we all have a responsibility to stop. Reporting instances of bullying to an adult in the school is the socially responsible thing to do. Students are encouraged to report instances of bullying not only for themselves, but on behalf of bullies, victims or bystanders in a timely manner, to a teacher, Child Youth Worker, Principal, Vice-Principal, Guidance Counselor, bus or taxi driver, social worker either by phone, email or in person. The Board will take steps to ensure that bullying incidents can be reported safely and in a way that will minimize the possibility of reprisal.

4.0 Reporting of Bullying Incidents by Parents/Guardians/Caregivers

4.1 When parents/guardians/caregivers notice a change in their child’s behaviour, desire to attend school or loss of interest in hobbies and interests or if their child discloses a bullying situation, it is advised to contact the school immediately. Initial reporting can be made to an adult with whom the parent has a relationship, the classroom teacher, Child Youth Worker, Vice-Principal or Principal. The Principal or Vice-Principal will work with the student, the family, other students and staff to investigate the report and work to resolve it. It is important to stay connected with the school following the report to ensure the child’s safety and well-being.

5.0 Responding to Bullying by Board Staff

5.1 All Waterloo Region District School Board staff who work directly with students MUST respond to all student bullying behaviours as well as any other behaviours that have a negative impact on school climate. This includes administrators, teachers, non-teaching staff, as well as board resource staff visiting schools. When bullying is observed, the response may include a request to stop the behaviour because it is disrespectful or inappropriate. Board employees are not required to respond to incidents of bullying when, in their opinion, responding would cause immediate physical harm to a student or themselves or another person. This behaviour and the response (or lack of response) must be reported to an administrator.

6.0 Reporting of Bullying Incidents by Board Staff

6.1 All bullying incidents must be reported using the appropriate form (IS-15-03 Safe Schools Incident Reporting Form). Bullying incidents must be reported by the end of the school
day and as soon as possible after the incident. Where immediate action is required, the report can be made verbally, with submission of the written form by the following day.

7.0 Principals Response to Reports of Bullying

7.1 After a report is submitted, the Principals will investigate any reports of inappropriate behaviour and specifically bullying, and communicate the results of the investigation to the employee. Principal must acknowledge the receipt of the report to the employee who reported. The receipt will identify if further action is being taken or if no action is required.

7.2 If no action is taken, it is not necessary to retain the report.

7.3 If action is taken, the report will be kept for a period of one year in the student’s OSR; however the names of all other students on the form (co-aggressors and victims) must be removed. No record of the incident shall be placed in the victim’s or victims’ OSRs.

7.4 Principals are required to inform parent/guardians/caregivers of victims, as a result of any incident for which suspension/expulsion is being considered, in respect of all bullying conduct and all other incidents referenced in section 306(1) and 310(1) of the Education Act.

7.6 When notifying the parent/guardian/caregiver of the victim, the Principal must disclose the nature of the incident that caused harm, the nature of the harm to their child, the steps being taken to keep their child safe, including the nature of the discipline in response to the incident, and the supports that will be provided for the student in response to the harm that resulted from the incident. Principals must not share the name of the student who caused harm or any identifying information with the parent / guardian / caregiver of the victim, except to the extent that it is necessary to comply with the requirements of subsection 300.3(4) of the Education Act.

7.7 Principals must not inform the parents/guardians/caregivers of the student who caused harm when, in the Principal’s discretion, doing so would put the student at risk of harm from the parent/guardian/caregiver. If the Principal decides not to notify the parent/guardian/caregiver for this reason, the Principal must document the rationale for the decision and advise the Supervisory Officer. The Principal is required to inform the teacher or, if appropriate, the other staff member who reported the harm of this decision. In addition, the principal shall not inform the parent of a student who is 18 years old or older or who is 16 or 17 years old and has withdrawn from parental control.

7.8 When notifying the parent/guardian/caregiver of the student who caused harm, the Principal must disclose the nature of the incident that caused harm, the nature of the harm to the other child, the nature of any disciplinary measures taken in response to the incident, and the supports that will be provided to the student in response to his or her engagement in the activity. Principals must not share the name of the student who was harmed or any identifying information with the parent/guardian/caregiver of the student who caused the harm, except to the extent that it is necessary to comply with the requirements of subsection 300.3(6) of the Education Act.

7.9 When notifying a parent/caregiver/guardian under these sections, the principal shall invite the parent/caregiver/guardian to have a discussion with the principal about the supports that will be provided for his or her child.

8.0 Supports for Victims and for Students who Bully

8.1 All WRDSB staff must take allegations of homophobia, sexual harassment, gender-based violence, and inappropriate sexual behaviour (PPM 145) and bullying (PPM 144) seriously. Incidents of this nature must be dealt with in a sensitive, supportive and timely manner.
8.2 All staff must support students who disclose they are being bullied by providing programs, interventions or other supports and by making available information on community agencies that can provide professional support.

8.3 Schools will develop specific plans to protect students who have been bullied and must outline a process for parents/guardians/caregivers to follow if they are not satisfied with the supports their children receive.

8.4 If it is deemed necessary that students need to be separated to protect a student or to preserve school safety, it is preferable if the victim remains in the home school, unless parents make a specific request for a move.

9.0 Supports for Bystanders

9.1 When bullying does happen, it is imperative to debrief the incident with bystanders. This is a teachable moment and the best tool for building empathy. See AP1200 - Student Bullying Prevention and Intervention for debriefing suggestions.

9.2 The Board shall provide programs, interventions or other supports to these individuals who witness bullying.

9.3 Students are more likely to challenge bullying situations if active intervention by all members of the school community in bullying situations is valued and encouraged.

10.0 Prevention Strategies

10.1 Code of Conduct – All WRDSB staff will familiarize themselves with both the Board Code of Conduct and the School’s Code of Conduct which set out standards for behaviour. Schools will incorporate into their Code of Conduct the stipulations of this policy, associated procedures and the responsibilities for staff, students and parents/guardians/caregivers as outlined in this policy.

10.2 Safe, Caring & Inclusive Schools Team - Every school will have a SCIS Team consisting of an administrator, teacher, paraprofessional, parent/guardian/caregiver and a student. The team will meet a minimum of 3 times per year for the purpose of monitoring the school climate. Members will review the data from biennial surveys of students, staff, and parents, and recommend appropriate measures to address areas of concern. The Chair of this team must be a staff member.

10.3 Positive School Climate - A positive school climate is defined by the Ministry of Education as "the sum total of all the personal relationships within a school". When these relationships are founded in mutual acceptance and inclusion, and modeled by all, a culture of respect becomes the norm. Confirmation of a positive school climate is when all members of the school community feel safe, accepted and included.

10.4 Collaborations with Community Agencies - The Waterloo Region District School Board pursues collaborations with community organizations and agencies to work towards the elimination of bullying.

10.5 Training - Bullying Awareness and Prevention Training will be provided to staff and students on an on-going basis, and, at a minimum, annually.

10.6 Leadership Activities - All students should participate in bullying prevention and leadership initiatives within their own school, such as daily classroom teaching with curriculum links, character education initiatives, mentorship programs, citizenship development, student leadership, student success strategies, healthy lifestyles initiatives and social skills development.
10.7 Teaching Strategies - Teaching strategies will support the school-wide Ministry of
Education bullying prevention strategies by integrating prevention and intervention
strategies into curriculum. Teaching strategies will focus on developing healthy
relationships by promoting inclusion, respect and empathy. Prevention messaging will be
reinforced through programs addressing discrimination based on age, race, sexual
orientation, gender identity, gender expression, faith, special needs, ethnicity, social
status and family circumstances.

11.0 Bullying Prevention and Intervention Plan

11.1 The Board will support schools in the implementation of the Board’s Bullying Prevention
and Intervention Plans, which will comply with the Board’s policies and procedures
regarding Bullying Prevention and Intervention.

11.2 When revising its plan, the Board will review school climate surveys to identify concerns,
identify best practices of evidence-informed programs currently used at the Board,
consider other evidence-based practices and identify key collaborators in respect of its
bullying initiatives.

12.0 Bullying Awareness and Prevention Week

12.1 The week beginning on the third Sunday of November in each year is provincially
proclaimed as Bullying Awareness and Prevention Week. Schools are encouraged to
support this and participate in any other bullying prevention awareness activities
throughout the year.

13.0 Communication of the Policy

13.1 Administrators will inform all staff, students, Safe, Caring and Inclusive School Team
members, Parent Council and other members of the school community of this policy.
Student/school handbooks and planners, School Day communication tool and School
Websites should include a statement regarding the unacceptability of bullying, the
procedures for reporting bullying and the consequences for bullying.

14.0 Access to Information

14.1 The Board is committed to making reasonable and targeted efforts to providing access to
appropriate board resources/publications for parents/guardians/caregivers and in doing
so, taking into account linguistic and accessibility considerations.
