

Start a Project, Stand Out, Get \$5,000

**Instant micro-grant
for youth aged 15-30**

Join the Canada Community Inclusion Micro-Grant Program and secure grants of up to \$5,000 for your project. Projects elevate your resume, highlight your leadership skills, and make you stand out in a competitive academic environment. Show initiative, fuel your personal growth, and position yourself for scholarships, grad school, and future career success. If you're passionate about promoting autism understanding and acceptance, creating support and services for families, fostering community engagement, conducting meaningful research, and more – apply now! For comprehensive eligibility criteria and detailed application instructions, please visit our website:
