

Creating Safer Spaces

PRACTICAL ALLYSHIP FOR 2SLGBTQIA+ INCLUSION

TUESDAY, FEBRUARY 24, 2026 // 6:30-8:30 PM

Avenues Building, 126 Barnswallow Drive, Elmira

NO COST // OPEN TO PUBLIC
Dinner Provided

An interactive workshop focused on building safer, more affirming spaces for the Rainbow community through everyday actions, meaningful allyship, and continued learning.

Gain practical tools to create safer, more affirming spaces, including:

- Understanding "safer space" beyond the buzzwords
- Recognizing and addressing unintentional exclusion
- Moving from performative allyship to meaningful action
- Supporting 2SLGBTQIA+ youth and families to improve mental health and wellbeing

Baz Kanold (They/Them), Training and Communications Coordinator, Spectrum Waterloo Region's Rainbow Community Space

Baz is Spectrum's Training and Communications Coordinator. Alongside their work at Spectrum, they are an artist living and working within Waterloo Region, and hold a degree in Fine Arts from the University of Waterloo.

Blaze Bishop (They/Them), Diversity Trainer, Spectrum Waterloo Region's Rainbow Community Space

Blaze is a recent graduate of the University of Waterloo, where they studied psychology and sexuality, as well as marriage and family studies. They identify as queer and non-binary.
