

EXPRESSIONS 49: BREAKING THROUGH

CALL FOR SUBMISSIONS

Waterloo Region Catholic, Public and Independent Schools are invited to submit original student artwork for *Expressions 49*.

Students are asked to respond to the theme ***Breaking Through***, inspired by Quinn Hearnden's *Breaking Through*. We invite students to explore concepts of perseverance, resilience, innovation and illumination and to reflect on breakthrough experiences of discovery and revelation. We will be celebrating these big ideas in this exhibition.

Schools are encouraged to submit 3-6 artworks. In addition to traditional media, short films, animations, photography and digital artworks are all welcome.
