Re: Musical Education Programs

Do your children show musical interests and ability?

You can find out !!! A musical aptitude test will be provided on our instruments at our studio, **with no cost or obligation.** (Knowledge of music is not required).

Loaner instruments can be supplied to beginners who qualify and are most interested.

Giving your children the gift of learning to play a musical instrument, provides the opportunity to express their feelings, to enhance their reading, co-ordination, listening and study skills, while developing improved self-confidence.

We teach all ages from childhood to adult. The Ontario Conservatory of Music provides independent Examinations, Annual Concerts, and Competitions.

Please fill out the form below and mail, e-mail, or phone the information directly to Ontario Conservatory of Music. *Please do not return forms to the school* We will contact you shortly to schedule a time for your interview and test at our studio.

We hope to be part of your child's learning experience in the near future.
