

WRDSB Responsible Use Procedure and Mobile Device Use Parent/Guardian Sign Off

By logging onto the WRDSB network, I recognize that my child must adhere to AP4070 Responsible Use Procedure for Information, Communication and Collaboration Technologies (equipment and related resources).

In addition, I acknowledge that personal mobile devices must be stored out of view and powered off or set to silent during the instructional day, except under the following circumstances:

- For educational purposes, if explicitly permitted by an educator;*
- For health and medical purposes;*
- To support special education needs, as documented in the student's IEP;*
- During breaks, lunch and spares, if the student is in Grade 7 to 12.*

Students are responsible for their personal mobile device, how they use it and the consequences of not following the WRDSB's policy on personal mobile device use, which may include progressive discipline.
