

# WATERLOO REGION MEDICAL VENTURERS & MEDICAL ROVERS

## Can I Join?

Medical Venturers is open to any youth 14 to 17 years of age, and Medical Rovers is open to any young adults 18 to 26 years of age. Both sections participate in this program as one group.

No previous knowledge or certifications are needed to join this program. We welcome all who come with an open mind and positive attitude! Once you become a member, we will help you obtain a minimum certification of Standard First Aid and CPR-C.

## More Information

## Who We Are

### Vocational Scouting

We are a specialized Scouting group focused on teaching First Aid, Leadership, and Teamwork skills. Our program provides members with the opportunity to learn, practice, and provide First Aid.

### Community Service

Members in this program can volunteer at community events as First Aid response. Volunteer hours go toward High School requirements.

### First Aid

Get certified with our group! Members get a range of training and certifications for:

- Standard First Aid and CPR
- Wilderness First Aid
- First Responder
- Emergency Medical Responder
- Oxygen Administration
- Naloxone and Stop the Bleed

### And Beyond!

Members also do fun team outings and get-togethers, camping trips, Career information sessions and more!
