Do you see a problem?

Waterloo Region youth in grades 5 to 12 can ask for funds to apply creativity towards solving it.

Our goal is to say YES to all ideas.

Apply your creativity towards solving a problem

You can try to change the world or fix a small problem in your life. We're here to help.

Ask for some funds

Tell us about your idea and how you'll make it happen. Our goal is to say yes to all ideas!

- Individuals can get up to \$500
- Groups of 2 or more can get up to \$1000

The deadline is the last day of every month.

We'll meet with you to ask a few questions. If you're ready, we'll send your application to the Program Committee for approval.

Ready. Set. Action!

Now's the big moment to try out your idea and celebrate success or embrace failure. Then figure out how to improve and try again.

Tell us how you did

After 3 months, we ask you to get back to us, tell us what you did, and what you learned so far.

HEY PARENTS & CAREGIVERS!

Help develop a culture of creativity in Waterloo Region's youth

We do that by investing in building the creative confidence of our young people. We all benefit when our youth thrive. They are the talent we need to thrive as a community.
